RAIL 90 L=

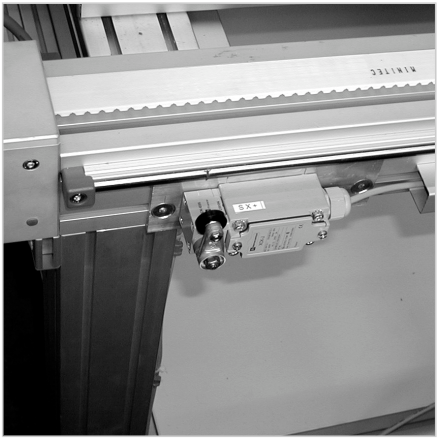

Code: 280008/0

Rail 90 for precise and reliable linear motion in linear guides for various applications.

Link to the product →

Technical data/items supplied

- Aluminium, anodized E6/EV1
- Profile 90 x 90 L
- On both sides with shaft supporting profile and shafts Ø 12 h6, pre-finished installed
- Without end caps
- Stainless version **part no.** 280008/3
- Weight = 7,88 kg/m
- Bar length = 6 m

Applications

- Linear and column guides
- **Special versions**
  For longer lengths or to respond to confined installation situations, on **request,** the rails can also be butt-jointed or can be produced divided into shorter lengths.

Assembly

- For vertical use or for high speed applications, we recommend the use of shaft retention devices **part no.** 280052/0
- To use shaft locking devices on both sides, the shaft and shaft carrier should be at least 30 mm shorter than the total length
